

THE KAPLAN CENTER for Integrative Medicine

THE CHRONIC PAIN AND ILLNESS EXPERTS

KAPLAN CENTER FOR INTEGRATIVE MEDICINE

COMBATING CHRONIC LYME: NEW APPROACHES & TREATMENTS

A FREE PATIENT EDUCATION SEMINAR

presented by

Dr. Gary Kaplan, DO

Associate professor, Georgetown University, Author, Lecturer

SEPT. 26 • THURSDAY • 7PM

McLean Baptist Church
1367 Chain Bridge Rd.
McLean, VA 22101

RSVP 703-532-4892
rsvp@kaplanclinic.com

Join us for a dynamic, informative evening as we hear from an expert on treating chronic illness. Dr. Kaplan will delve into the very controversial topic of identifying and treating chronic Lyme disease, a tick-borne illness that lingers past standard courses of treatment.

WHAT YOU'LL LEARN:

- **The Big 3:** other tick-borne diseases; reactivation of viral infections; mold toxicity
- **How's your gut?** Gut health & Lyme
- **Detox reaction** (Herxing Effect) vs. medication reaction
- **Newest approaches** for the treatment of the persister form of Lyme disease
- Lyme and **autoimmune disease**

"Post-treatment Lyme disease syndrome (PTLDS) is a real disorder that causes severe symptoms in the absence of clinically detectable infection,"

- John N. Aucott, MD

Johns Hopkins University School of Medicine
Johns Hopkins Lyme Disease Clinical
Research Center

WHO SHOULD ATTEND?

- Chronic Lyme sufferers
- Family and caregivers
- Medical Professionals
- Students
- Anyone who wants to learn more
